

74LS-Serie

Table listing 74LS-series components including LS00 through LS182 with prices ranging from -65 to 4,10.

Table listing components from LS183 through LS670 with prices ranging from 1,30 to 3,60.

74S-Serie

Table listing 74S-series components including S00 through S175 with prices ranging from 1,30 to 3,60.

4000-Serie

Table listing 4000-series components including 4000 through 4007 with prices ranging from -60 to 1,65.

Table listing components from 4008 through 4528 with prices ranging from -85 to 1,95.

Table listing components from 4529 through 4584 with prices ranging from 1,95 to 10,65.

6500-Serie

Table listing 6500-series components including 6502 CPU through 6532 PIA with prices ranging from 14,- to 25,95.

6800-Serie

Table listing 6800-series components including 6800 CPU through 6875 with prices ranging from 9,95 to 9,75.

Z80-Serie

Table listing Z80-series components including Z80A CPU through Z80A SIO-2 with prices ranging from 8,45 to 22,45.

26-Serie

Table listing 26-series components including 2621 USG through 2650 CPU with prices ranging from 23,95 to 43,20.

Philips Eprom-Löschlampe... 54,90

Eproms

Table listing EPROM components including M 2532 through M 2764 with prices ranging from 15,95 to 19,50.

RAMS

Table listing RAM components including M 2101 through M 6504 with prices ranging from 3,75 to 14,90.

Sonder-IC's

Table listing special IC components including 8255 through MSM 5832 with prices ranging from 8,95 to 39,50.

Floppy-Controller

Table listing floppy controller components including UPD 765 through FD 1797 with prices ranging from 49,- to 59,-.

Hilfsbausteine

Table listing auxiliary components including 4702 Baudrat through MC 1489 with prices ranging from 27,50 to 2,05.

IC-Fa

Table listing IC families including PD 08 through PD 40.

Präzisionskontakt

Table listing precision contact components including PZ 08 through PZ 40.

DIP-S

Table listing DIP-S components including 2 pol through 10 pol.

Flach Amp

Table listing flat amp components including 16 pol through 64 pol.

Ampfassung

Table listing amp connection components including zif 24 and zif 28.
